Kitchen Utensil Holder

A kitchen utensil holder that keeps tools neat and easy to reach. Its simple design fits well in any kitchen.

Thinking Statue

The image shows two small abstract statues sitting cross-legged on a marble surface. One is white and the other black, both in thoughtful poses. The simple background and contrasting colors create a calm, modern, and reflective atmosphere.

Decorative Owl Figurines

The product is a set of 2 decorative owl figurines in black and gray with a modern, hollow design. They feature large eyes and a smooth matte finish, perfect for stylish home décor.

Face Sculpture

modern abstract face sculptures in black and white. Each piece features a serene facial expression with one hand gently touching the cheek. Their sleek, minimalist design makes them elegant decorative accents for contemporary interiors.

5JDs

Clicker Fidget

A small clicker fidget that helps reduce stress and keep hands busy. It is easy to carry and fun to use anytime, anywhere.

3JDs

Ramadan Calendar

A decorative Ramadan calendar made to count the days of the holy month. It is perfect for home decor and adds a warm Ramadan feeling.
